

# Certificate of Completion

This certificate is proudly presented to

*Coding P110*

Cohort : **LEARNING BITCOIN FROM THE COMMAND LINE**

Completion of this cohort certifies that you, CodingP, have delved into the intricacies of running and tinkering with your Bitcoin node. You now have hands-on expertise in utilizing the command line for seamless interaction with the Bitcoin network.

**Congratulations on your achievement CodingP!**

**1st NOVEMBER 2024**

Date of COMPLETION

*Raj Maitra*

Founder of BITSHALA
